PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper is significant at present situation. Introduction portion should be brief. No need of giving irrelevant information. The results and Discussion portion is less explanatory. But ultimate vision is the results and discussion. So, please give more explanation.	1- Yes 1- Introduction portion should be cover the important of our study plant and materials that we use, I briefed it as possible 2- The results and Discussion portion is very simple
Minor REVISION comments	In some places the treatments will be like this: T₁, T₂...T₈, etc. Not T₁. In the line 315 and ref. number 10- Fawzia-Eizza. In the text hyphen is present. But in ref. part, there is no hyphen.	1- Ok, I changed it to T ₁ , ...T ₈ 2- Ok, I delete this ref.
Optional/General comments	1. In the abstract part arrange the treatments in proper way. 2. Is wonderful a variety? 3. Use numbering in case of citation. 4. Check the references with the text citation. Some problem is there.	1- Ok I changed it . 2-Yes, Wonderful is variety 3-Ok, I changed it to numbering in case of citation 4-I re-arrange the references with text citation

As per the guideline of editorial office we have followed VANCOUVER reference style for our paper.
