1.	Will be better to say some words about rice cultivars which authors used in the experiment.	Incorporated. Please see lines 62-68 (in red colour).
2.	Sorry but I could understand this article and experiment from what country?	Please see line 14. (in red colour).
3.	In what year and season they provided this experiment?	Please see line 14. (in red colour).
4.	In Materials and Methods part authors said that glass house was under controlled conditions. What controlled conditions were in this experiment?	Please see line 83-84 (in red colour).
