SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The major corrections are required in Methodology and Results parts of the manuscript.	
Minor REVISION comments	<p>Following the review of Research Article titled "REASONS PROMPTING THE ADOPTION OF ORGANIC FERTILIZERS IN VEGETABLE PRODUCTION IN AGOTIME-ZIOPE DISTRICT, GHANA". Since the requested changes are major, I recommend that it should be revised taking into account the changes requested as follows;</p> <ul style="list-style-type: none"> Under the methodology, the statements "The population for this study included sampled farmers who use organic fertilizer. A total of 50 farmers all in the district were selected for the research" should be in the same font type with others. Under the methodology, "Y_i = 0 non- adoption; faarmers wo do not use organic fertilizer". Kindly correct the spelling of farmer. Thanks Under the result and discussions, the table titled "Response to Factors that Discourages Organic Fertilizer Usage in Vegetable Production" should be labelled Table 3. Also, it should be in three lines' table like Tables 1 and 2. 	
Optional/General comments	Author(s) need to do the necessary corrections.
