

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Research Journal of Agriculture
Manuscript Number:	Ms_ARJA_39727
Title of the Manuscript:	The effect of drying methods on seed germination and vigour of two varieties of tomato
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<ul style="list-style-type: none"> - It is necessary to revise the entire document for improve clarity. Many parts were clumsily written. It cannot be read without difficulty. - It is necessary to specify details of time of drying. - Each Table and Figure must be able to stand on its own, even without reading the text. Table 2: Indicate the meaning of Experiment 1 -5. - Most important, it is necessary to do a proper discussion of results, describing the own results, contrasting the own results with those of previous reports, and explaining the own results with the proper information.
