

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Annual Research & Review in Biology
Manuscript Number:	Ms_ARRB_25546
Title of the Manuscript:	Proximate, Vitamin and Anatomical Studies on <i>Gomphrena celosioides</i>
Type of Article	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
1. Regarding the "Material" section, author should read more journals since you have never seen any articles where materials are listed in the manuscript. Please refer to MDPI publisher, Elsevier journal, Hindawi Journal etc. Materials that listed should state from which company and country.	There is no problem. I have added the materials.
