SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	I believe that the authors have committed plagiarism, changing only structural parts of the document, such as the bibliography cited and the order in which they mention each author. The data have the same parameters to be measured, even though they have different measurement periods. They should be more authentic	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
