

SDI Review Form 1.6

Journal Name:	Annual Research & Review in Biology
Manuscript Number:	Ms_ARRB_43840
Title of the Manuscript:	Parasitic Profile of Fresh Vegetables sold in Selected Markets of the Cape Coast Metropolis in Ghana
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The references need to be rewritten following the proper format, for example, the journal title in line 186, 189 are all in the capital letter, but some are in the small capital letter as in line 192, 194, 197 (Please check through the references). The scientific name for <i>S. stercoralis</i> in line 265 should be italic.	The comment has been addressed
<u>Optional/General</u> comments	Overall, this is a good and simple research paper highlighting the importance of proper hygiene in a community. More parasites could be detected such as <i>Giardia</i> sp, <i>E. histolytica</i> or <i>Cryptosporidium</i> sp if appropriate parasitological methods such as mention by the author in line 174 with trichrome staining were used.	This has been noted and addressed in the last paragraph

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
