

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Applied Science & Technology
Manuscript Number:	Ms_BJAST_22074
Title of the Manuscript:	The Effect of Gravity Loads on Seismic Lateral Displacements of R.C. Frames Using Different Damping Ratios
Type of the Article	Short Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The research objective has been met in the manuscript. But, the corrections have been met objectively. There is still a scope to improve upon the writing skills in the paper representing the inter connectivity of instances.</p> <p>Secondly, the sentences in most of the cases are too long, upto 4-5 lines at a stretch. therefore need to revise such areas.</p> <p>There are no other major corrections needed.</p>
