SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Requires more explanation of the methodology to be added in the paper which will hence increase page numbers of the paper, as it is only of 5 pages needed to be 6 pages at least. Recent years references papers should be included. More comparison analysis should be performed in tabular format.	We have given more explanation and a new reference has been added. We have also presented Monte Carlo Simulation results (Type I error rates and test powers of these tests) with tabular form (Table 1-4). All corrections, additions and explanations have marked with red color.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
