**PART 1: Review Comments**

|                                     | Reviewer's comment                                                                                                                                                                                                                                                                                                        | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments | This manuscript is flooded with numerous spelling mistakes. Ex. L106 not unto should be in to. IN plate 1 notation like a, b., should be explained. Fig 1-8 what is meant by ribos? This should be explained in introduction section. Fig 9 & 10 should be redrawn and clarity should be improved and visible to readers. |                                                                                                                                                                               |
| <b>Minor</b> REVISION comments      |                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                               |
| <b>Optional/General</b> comments    |                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                               |
