SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Close to the bottom of page 6, about“(administrative district) ^ (marital status, level of education of seniors living alone)→ (spatial relationship with medical care organizations), (S%; C%); the following rules were obtained: Rule 1, P1(administrative district) ^ P2(marital status) ^ P3(level of education)→ Q1(X: Figure 4 Distribution of seniors living alone and medical organizations in Taipei administrative district, spatial relationship with medical care organizations), (S%; C%).” It's a bit harder to catch up, and it's kind of a jump from the previous end of the paragraph. What does caret (^) mean/represent? Exponential? Maybe use variable name in the equation, and explain what these variables represent.	
<u>Minor</u> REVISION comments	Remove the extra space lines, i.e. in the middle of page 3.	
<u>Optional/General</u> comments	The manuscript is easy to follow.
