SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is only information paper and not a research paper. It is useful to get information.	This is a review paper and we all know that a review paper serves as the basis for all research. It will provide a quick overview for researchers who intend to work on RFID as well as IoT
Minor REVISION comments	1. Reference papers not having in proper formats. 2. Reference No [23] paper is missing	All references have been adjusted according to the journal template Reference no [23] which was initially empty has been removed and other references have been adjusted
Optional/General comments
