PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Most sections did not have sources, kindly look into the highlighted sections in the manuscript where possible cite one or two sources. I think if the author relook into sections to include sources it will be fine.	
Minor REVISION comments	A few spelling errs, they are highlighted in the main document	
Optional/General comments	It is a good sound paper.
