SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The area of study is very interesting in view that glass ceiling exist in many organisations of many countries invisibly. It is hope that many will ponder the findings from this study and review the ceiling glass exists in organisations. Some of the format in citation need to relook , especially if the journal required APA format to be adhered to.	
<u>Optional/General</u> comments
