SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**The abstract is not written well, a good 'Abstract' should outline the research problem (why study), research objectives, research method, key findings and implications of findings to theory and practice. Please rewrite the abstract part.**	
Minor REVISION comments	**Many literatures in the literature review part, but I didn't see any discussion with the studies.**	
Optional/General comments	**This paper deals with a topic that is well suited for consideration for publication in this journal. Theoretical background is supportive. Research method and analysis has conducted with sufficient process. Overall, this is a quite well-written manuscript with mathematical methods, which produces interesting findings.**
