PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The paper is seriously ambitious and should therefore endeavour to: - Expand the introduction, - Conceptualize university education in Nigeria, quality service delivery, recruitment and selection processes (as they concerned university working ecology, - Present data on the available public universities in Nigeria, - Itemise the advantages of monitored and disadvantages of unmonitored recruitment/selection of personnel into Nigerian public universities (which should even be the major target of this paper).	
<u>Minor</u> REVISION comments	- The word 'Selection' in the title of the paper is not well spelt, - Word that is not fundamental to the paper like therapeutic, Strategy, and Nigeria, should be expunged from the Key Words.
