SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Inconsistencies in the style of referencing. Example, page numbers for Journals cited were stated for some while they are missing in others. The general referencing format is wrong and does not follow any particular standard. The author(s) is advised to stick with one referencing style – preferably APA 6. The author(s) should download it and follow the guidelines.	Necessary changes have been done. Page numbers and volumes has been added to the original research papers published in journals. Thanks
Minor REVISION comments		
Optional/General comments	The paper is generally well written. It is recommended for publication after the above stated corrections have been done.
