PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	In the last line of first paragraph, do you intend to write 'insure' or 'ensure'? Just be sure. Except for the above, this paper should be accepted as it is.	I would like to thank the reviewer for taking time to read my paper and for "acceptance for publication" recommendation. I believe it is better to change "insure" to "ensure" in order to avoid confusion with any reference to insurance.
<u>Minor</u> REVISION comments
