PART 1:

Journal Name:	British Journal of Economics, Management & Trade
Manuscript Number:	Ms_BJEMT_24230
Title of the Manuscript:	Economic Integration Problem of Turkey: An Evaluation about Shangai Cooperation Organization within the Frame of Alternative Searches
Type of Article	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The authors have paid so much efforts to reject my comments instead of emending their text. The paltry changes they had produced haven't made their paper more significant, clear and proved. Line 80: The Turkish name Tingerben should be changed into the Holland name Tinbergen ©)) The manuscript doesn't satisfy basic requirements for economic investigation.	Political suggestions of the article point to the political, social and economic standards that Turkey is trying to achieve. Especially the fact that the target to be reached by Turkish Republic is the Western civilization makes the EU the strongest candidate for Turkey's search for integration. Necessary arguments are presented in the sixth paragraph of the conclusion section. Line 80: Tingerben has been corrected as Tinbergen
