New Title	The Role of Entrepreneurship in Sustainable Livelihood Strategies of Old Aged People ; Evidence from Sargodha, Pakistan
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
This paper has been revised, yet a noticeable recent references have not been updated, at least of the years of 2015. Please add. The title should emphasize the old aged people instead of too general case from ths study area. The in house style of references should be followed, some not. Accepted for publication with little editorial.	Researches have made noticeable changes as per reviewers' comments. Reviewers opined that recent references have not been updated, at least of the years of 2015. But researches have attempted to include latest references that are highlighted in new manuscript. Moreover, some more latest references have been included. Researchers have rechecked all references.
