SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1. Data used in the present study is till 2012. Paper would have more impact if researcher can get recent data.** **2. Tables should be either placed at the end as appendix or at appropriate place. Not just before discussion and conclusion.** **Different sections for Literature review and Research methodology should be given.**	1.Recent data has been included; data for 2013, 2014 and 2015 has been included in the analysis. 2. The tables have been taken to the appendix (See page 26 to 29). 3. The literature review section and methodology section have been clearly defined with the use of numbers.
Minor REVISION comments	Small editing and grammatical mistakes needs to be corrected.	
Optional/General comments	Paper is good and covers relevant and very important issue of corporate governance. However, it is based on secondary data, that too, not very extensive.
