SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. The topic (lines 1-3) is not an exemplary researchable topic. The researcher MUST decide the topic. 2. Lines 7-13 do not structurally make it for an ideal abstract. In essence, the abstract is too weak. 3. The paper is more of a lecture note extracted for publication without due research approach. There are no arguments as to whether the private trade organisations in comparison with public restrictions has relevance in sharpening the international finance markets or not. There are no research evidences to portray that, thereby making the paper a mere lecture note. Research guidelines are not adhered to, beginning from the topic to the conclusion.	1. The suggestion is considered. 2. The recommendation is considered. 3. The recommendation is considered. 4. The recommendation is considered. 5. Grammatical are corrected.
<u>Minor</u> REVISION comments	1. There are several grammatical errors.	
<u>Optional/General</u> comments
