SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Do the "LFI", "LATMV", "LWEBV", "LMOBV", and "LPOSV" in Fig. 1 denote "Log(FI)", "Log(ATMV)", "Log(WEBV)", "Log(MOBV)", and "Log(POSV)"? It seems that Fig. 1 doesn't conform to the data in Table 1.	
<u>Minor</u> REVISION comments	Add units to the data in Table 1.	
<u>Optional/General</u> comments	I don't get used to how the authors cite the references. The authors just list the reference numbers in the article. Suggest adding the authors of these references.
