	Sentence 2: Kargil does not boost.....(is this a cut and paste?) Not fetch but get good price	
<u>Optional/General</u> comments	The author should carefully track and make necessary changes in the whole document. If I corrected gray to grey, the author should check similar spellings in all the areas where it is applied. The paper does not warrant any editing it is fine. It only needs minor corrections. Please clarify the Plagiarism: The author should just give sources of his information in the text. Currently he did not and this might be construed as plagiarism but I do not think so. The author must be given the benefit of doubt. He must acknowledge the source of information and not only list them at the end.
