SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The paper seems to be copy-pasted in some sections from internet documents. I would like to strongly recommend author to adhere to the principles of good scientific practice by duly acknowledging sources used and by paraphrasing all ideas borrowed from other sources by using your own words rather than simply copy-pasting the text (even if sources are correctly acknowledged this would still be perceived as plagiarism). In addition to that though the sample size is very small the subject matter is very good.	Sections of the literature deemed copy-pasted worked on. Refer to; 1. Page1-3 (SN 25-27) 2. Page2-3 (SN 53, 58, 63-67, 70-72) 3. Page 3-5 (SN 78, 81-82,89, 95-96, 102, 108-109, 112, 114, 130-131, 135) 4. Page5-7 (SN 143, 144-146, 159-161, 164-166, 168, 174-175, 184-185, 191, 192, 198) 5. Page7-9 (SN 216-218, 220, 232, 233, 238, 244-245) 6. Page9-10 (259-261, 265, 266, 268, 269, 272, 277, 282-284, 290, 291)
<u>Optional/General</u> comments
