PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. You have grammatical errors. As English is not your native language, I would suggest getting a native speaker who has editing experience. Let him or her read and correct your paper. See lines 4-5, 9-10, 19-20, 54, 56, 60-61, 74, 81, 114-122 (incorrect use of single quotes), 137, 139, 143, 145, 162, 165, 239-240, 262-264, 272-273, 281, 289, and 291. 2. You have spacing issues (See lines 21, 24, 25, 32, 102, 108, 155, 157, 203, 246, 337, 341, 349, 350 352, 361, and 363. 3. You have quotations without closing quotes or references (lines 26-32). 4. Capitalization of names errors (lines 42, 47, 102, 108, and 129. Please clarify the ethical issue: I would to see the questionnaire used. Also, where is the informed consent?	Dear editor, Thanks for your constructive comments. In response to your comments: 1. I got most of them. I would be so much grateful if you revise the points for me that you distinguish they are wrong. 2. You are right. 3. I have put the reference at the end of sentence. I have paraphrased the first three sentence. 4. You are right. Thank you very much my dear. The questionnaire I used was a new which I designed and made. That is originally designed in Persian. I have translated for you in the following pages in this file. You can check. The reliability and validity was estimated.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	Your ideas are very good but they are clouded by all the errors.	That is very kind of you. Thanks a lot.

- 1- This research is carried out for fulfillment of M.A program.
- 2- This questionnaire has been designed for the purpose of computer engineering ESP course
From the students' viewpoints.
- 3- The findings of this research can have a effective role in increasing the quality of ESP
teaching and pedagogical facilities.
- 4- Your answer sheets would be kept confidential and would not be given to anyone.
- 5- It is kindly recommend to read each of the question and select your intended responses.

6- Thank you very much for your cooperation.

1_ In general, ESP books and pamphlets in field of computer engineering are commensurate with students needs.

1_ Strongly agree 2_Agree 3_ Neither agree 4_ Disagree 5_ Strongly disagree
Nor disagree

2_ In my opinion , The contents of the computer engineering ESP book are practical and effective.

1_ Strongly agree 2_Agree 3_ Neither agree 4_ Disagree 5_ Strongly disagree
Nor disagree

3_ In my opinion , the contents of ESP in field of computer engineering , to considerable extents , augment the students' capabilities for studying and comprehending other articles , and sources in English .

1_ Strongly agree 2_Agree 3_ Neither agree 4_ Disagree 5_ Strongly disagree
Nor disagree
