**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>                                                                                                                                                                                                                                                                                                                                    |
|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <ol style="list-style-type: none"> <li>1. The abstract needs clarifying.</li> <li>2. The major problem of the manuscript is the language problem. It is difficult in terms of readability.</li> <li>3. Only three related studies are discussed. The discussion of existing literature is very limited. To provide a more comprehensive picture of the study, more literature should be included.</li> <li>4. What does it mean "the attitude of students toward their ESP course was significantly lower than the average"? What does "average" refer to?</li> <li>5. More in-depth discussion of the results and implication are needed.</li> <li>6. This manuscript needs further proofreading following the APA citation style.</li> </ol> | <p>Dear Editor,<br/>Thanks for your nice comments<br/>In response to your comments:</p> <ol style="list-style-type: none"> <li>1- you are right. More clarification have been provided.</li> <li>2- you are right. Major revision have been carried out in style of writing this paper.</li> <li>3. You are right. We added it.</li> <li>4. Expected value (75). It was revised.</li> <li>5- Implications have been provided.</li> <li>6- I have also revised the paper with regard to APA style as far as I could.</li> </ol> |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
