FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The sentences that sound awkward were marked in red in the manuscript. It is highly recommended that the authors could proofread the manuscript.	It is with great pleasure to express my opinion about your English knowledge. I actually admire you Dear. And I would like to become familiar with such a knowledgeable editor like you and THANK YOU VERY MUCH for your meticulous reading of my paper. By the way, I made every effort to edit the errors you mentioned. But whatever I tried and check the different dictionaries, I could not get them. Of course, I revised some of them. And now, I kindly ask you to help me or write your suggested corrections. Again I never forget your favour. Have a good time.
