PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The research topic is very interesting, but challenging. The idea in this manuscript is presented with almost 80% literature. I would propose more research in this topic with mathematical and statistical evaluations! Well done for first research topic's start up.	
Minor REVISION comments		
Optional/General comments
