PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	I think this is a very well written and technically solid paper. It gives a crystal clear presentation of the development and implementation of a communication security system in the conceptual view of knowledge management. The material is well organized and the English is very good. I don't have any revision comments.	The Authors agree with the reviewer's comments.
