SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	References should be arranged in alphabetical order. The references in the list that are not essential in this article may be avoided.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	The paper is too short as it discusses a new definition and two fundamental results only. It seems that the article has enough potential to get developed. The paper may have a significance if it is developed further by including some more good results.
