SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The author must correct errors of editing realized in sub-titles (page 3 and 4). The author must realize a prospective of the cotra-normalization main results on aspects, for example the irreducibility and admissibility in the general case. The paper is very good structured and formalized.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
