

SDI Review Form 1.6

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	2014_BJMCS_14738
Title of the Manuscript:	AN OPTIMIZATION PROBLEM WITH CONTROLS IN THE COEFFICIENTS OF PARABOLIC EQUATIONS
Type of the Article	Short communications

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. This paper is not well-written and organized. 2. Some important related literatures should be involved in this paper, e.g., [R1]. 3. The problem under consideration in this paper is similar to the one addressed in [R1]. To help readers, the authors should add some statements on the difference between this paper and the existing results, such as [R1]. [R1]. S. H. Farag and M. H. Farag, "On an optimal control problem for a quasilinear parabolic equation," Applications Mathematicae, vol. 27, no. 2, pp. 239-250, 2000.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
