SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	• At the abstract you should write the aim of the study more clearly. You also have to incorporate results and conclusion. • You have to reclassify the references. For example, the quotation [8,12,13] is cited before [1, 2, 3, 5, 7]. • According to authors' guidelines, 15-20 key references are required. The references are inadequate. Add at least 2 references. • Check spelling. There are typing errors that should be corrected. • According to authors' guidelines, results, conclusion and acknowledgements are required. You can include them.	It has been taking into consideration all the suggestions of Reviewer and working out with thanks
<u>Minor</u> REVISION comments	• The references cited are relevant but they should be reviewed. • If there are any ethical issues, please clarify.	
<u>Optional/General</u> comments	• The topic is important and the effort of the authors to give a comprehensive review is remarkable. • However manuscript needs to be improved.
