

SDI Review Form 1.6

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	Ms_BJMCS_25746
Title of the Manuscript:	Blow-up of solutions for a reaction-diffusion equation with nonlinear nonlocal boundary condition
Type of the Article	Research article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	The author deals with a reaction-diffusion equation and investigate the global existence and blow up in finite time of a nonnegative solution. In my opinion the result of this paper, concerning the blow up are of interest for a wide range of researchers. I think the paper deserves publication.	OK
