

SDI Review Form 1.6

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	Ms_BJMCS_27176
Title of the Manuscript:	Covariant Almost Analytic Vector Field On Q-Quasi Umbilical Hypersurface of a Trans Sasakian Manifolds
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	In the present paper author studied the axioms of covariant almost analytic vector field on Q -quasi umbilical hypersurface of a trans Sasakian manifolds. The results of this paper are very straight forward and the calculations are simple. Beside this the results are not verified by examples. There are many mistakes in typing the paper.	Agree with reviewer now remove all the typing mistakes from the paper.
Minor REVISION comments		
Optional/General comments
