SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. Sec. 6 (Concluding remarks) seems to presenting the motivation and importance of this article. I suggest that this paragraph may be inserted into Sec. 1. 2. In addition, suggest adding a conclusion section to this article. This conclusion may briefly present what have been done in this article.	1. Two paragraphs of the conclusion were moved back forward, the first to the beginning of section 1 and the second to the end of section 2. 2. A new conclusion was added as suggested.
<u>Minor</u> REVISION comments	NA	
<u>Optional/General</u> comments	NA
