

SDI Review Form 1.6

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	Ms_BJMCS_25746
Title of the Manuscript:	Blow-up of solutions for a reaction-diffusion equation with nonlinear nonlocal boundary condition
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	This paper investigated the global existence and blow-up of solutions for a parabolic equation with nonlinear non-local boundary conditions by a sub-supper solution method, this topic is interesting and the result is well written.	

Reviewer Details:
