

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	Ms_BJMCS_27054
Title of the Manuscript:	EXISTENCE AND SOLUTION OF WIND SPEED EQUATION OF A POINT IN AIR
Type of Article:	Short Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The authors are suggested to cite the following ref: 1. L. N. Mishra, R. P. Agarwal, M. Sen, Solvability and asymptotic behavior for some nonlinear quadratic integral equation involving Erdős-Kober fractional integrals on the unbounded interval, Progress in Fractional Differentiation and Applications Vol. 2, No. 3 (2016). 2. L.N. Mishra, H.M. Srivastava, M. Sen, On existence results for some nonlinear functional-integral equations in Banach algebra with applications, Int. J. Anal. Appl., Vol. 11, No. 1, (2016), 1-10. 3. Deepmala, A Study on Fixed Point Theorems for Nonlinear Contractions and its Applications, Ph.D. Thesis (2014), Pt. Ravishankar Shukla University, Raipur 492 010, Chhatisgarh, India. 4. Deepmala and H. K. Pathak, A study on some problems on existence of solutions for nonlinear functional-integral equations, Acta Mathematica Scientia, 33 B(5) (2013), 1305–1313. The authors can write about above references in manuscript as follows: Some important applications can be seen in ([1]-[4]).	

Reviewer Details:

Name:	Lakshmi Narayan Mishra
Department, University & Country	Department, of Mathematics, NIT, Silchar (Assam), India

PART 3: Objective Evaluation:

ME
