

SDI Review Form 1.6

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	Ms_BJMCS_28870
Title of the Manuscript:	Assessing Infant Mortality in Nigeria using Artificial Neural Network and Logistic Regression Models
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**l a c k o f N o v e l t y**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	More explanation needed on the construction of the neural network use. Such as which error function was used. Also authors are recommended to use the cross-validation technique for picking up the best neural network structure to avoid overfitting.	
<u>Optional/General</u> comments
