

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	Ms_BJMCS_29454
Title of the Manuscript:	Three-dimensional MHD Casson fluid flow over an exponential stretching sheet with the effects of heat generation and mixed convection
New Title:	Three-dimensional MHD mixed convection Casson fluid flow over an exponential stretching sheet with the effect of heat generation.
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Author has addressed all the comments. Checking through the revised version, it is worth mentioning that the manuscript contains interesting and novel theoretical analysis. I hereby recommend the publication of this manuscript in British Journal of Mathematics & Computer Science, Science Domain. In addition, the page designer of accepted articles by this journal should perfect the in-text citation and page layout of the manuscript properly.	

Reviewer Details:

Name:	Animasaun, Isaac L.
Department, University & Country	Department of Mathematical Sciences, Federal University of Technology, Akure, Ondo State, Nigeria
