SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	This manuscript numbered 30869 considered a repairable k-out-of-n:G system with CO rule and multiple vacations following PH distribution. Some reliability indices were discussed and numerical examples were presented. It is of some interesting in theory but more care should be given to the writing.	Following your suggestion, we have thoroughly revised the paper to make it more clear and smooth. Some paragraphs have been rewritten based on the original content. Revised portion are marked in yellow in our revised manuscript.
<u>Optional/General</u> comments
