SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Please see Instruction to Author of the Journal and write according to the instruction.	My manuscript is in accordance with Author Guidelines
<u>Minor</u> REVISION comments	Please see in MS.	The title has been changed, paper has been revised, and emphasis removed from MRSA to antibiotic-resistant <i>S. aureus</i>. See revised paper. A more careful and statistical analysis has enabled a better report of this study. See Line 67: No ethical issues were raised in the collection of samples from patients in the hospital of study. All the Tables and Figures have been replaced with more appropriate ones. Sections 2.2 and 3.2: Names of antibiotics are all corrected to small letters as appropriate.
<u>Optional/General</u> comments	Please see in MS.	All your corrections are effected in MS Details provided in the Conclusions. References: All mistakes are corrected.
