

Editor's comment:

These should be corrected:

1. No abbreviations in the abstract. Give full terms.
2. I could not find definitions on TSW, YYP.
3. Use either SSP or ssP throughout
4. Line 58, check spelling
5. Line 356, omit one "treatment" or clarify
6. 363, Yield (??)
7. 222, p (??) source
8. 413, 431, 441, correct formula for ammonia and nitrate
9. Define meaning of superscripts a, b, c, ... in Tables
10. 482, "The improvement when compared with... ?
11. References: omit numbering (1, 2 occur twice)
12. Check alphabetic order with regard to second (third) letter in the name of first author

Author's Feedback:

1. No abbreviations in the abstract. Give full terms.---**Corrections effected**
2. I could not find definitions on TSW, YYP.—**TSW=thousand seed weight**
YYP=yield per plot
3. Use either SSP or ssP throughout-----**SSP used throughout**
4. Line 58, check spelling-----**corrected**
5. Line 356, omit one "treatment" or clarify-----**corrected**
6. 363, Yield (??)-----**Yield (t/ha)**
7. 222, p (??) source-----**Phosphorus source**
8. 413, 431, 441, correct formula for ammonia and nitrate----**corrected**
9. Define meaning of superscripts a, b, c, ... in Tables----**corrected**
10. 482, "The improvement when compared with... ?----**corrected**
11. References: omit numbering (1, 2 occur twice)----**corrected**
12. Check alphabetic order with regard to second (third) letter in the name of first author-----**corrected**
