

**Editor's Comment:**

500  $\mu$  - it's not the correct unit ( $\mu\text{m}$ )

double spaces and spaces in front of punctuation marks e.g. ...Calorimeter )

The sentences cannot be started like: "[7] characterized the refuse in Kano and found out that..." should be "Demir and Yasar [7] characterized the refuse in Kano and found out that..."

3.2. - text is not aligned.
