SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Line 47, 120-152 Relabel the references and arrange according to the format. Line 66 – Table 1 is just a repetition of Table 1a and Table 1b. Line 49 – The author has described about the effects of Hydrogen Fluoride which has not been studied in this paper. Line 88, 103 – The author has provided data on Cl_2(ppm) and HCN (ppm) which has not been discussed and compared. Line 104 – Describe point 1,2 and 3 as described in Line 90-94. Line 107-108 – No reference was given for the data on Table 3a. This paper covers the same scope as the paper published in May 2013 but there was no reference made regarding this paper on the current author's paper. The details are below. Author: Ajake, A. O.; Ewa, E. E Title: Consequences of Aluminium	Done ,reference arranged according to format Noted and correction made The description falls under introduction /literature review NOT result and discussion Done Done Correction done as requested This is an independent research work irrespective of the mentioned author.

SDI Review Form 1.6

	Smelting on Air Quality in Ikot Abasi I.G.A., Akwa Ibom State South-South Nigeria Publisher : Mediterranean Journal of Social Sciences; May 2013, Vol. 4 Issue 2, p735	
<u>Minor</u> REVISION comments	Line 47-Line 49 – Restructure the sentence to show the relationship between current study and the previous studies. Line 94-95 – Spacing for the start of the new statement.	Correction done as requested
<u>Optional/General</u> comments	Line 1, 13- The author has provided data and comparison on sound pollution. So I recommend that the author restructure the title and the keywords to cover the scope of sound. Line 113- 115- It is better to support the authors statement with reference for recommended levels for safety.	Title restructured and “ sound “ included in the keyword Done
