

SDI Review Form 1.6

Journal Name:	British Journal of Applied Science & Technology
Manuscript Number:	Ms_BJAST_32841
Title of the Manuscript:	Kinetics of Parboiled Paddy under Microwave Drying
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Among the microwave power (180, 360, 540 and 720 W) and bed thickness (1.5, 3, 4.5 and 6cm), please indicate on your conclusion the optimum bed thickness and power of microwave.	Optimized results were not focus of this research. It will be discussed in next paper related to quality parameters like head yield, hardness and energy consumption.
<u>Minor</u> REVISION comments	Frequency and temperature was not cited in the study	
<u>Optional/General</u> comments	Investigate the heat distribution (temperature) inside the different layer of bed (top , middle, and bottom) to check the uniformity of heat distribution.
