PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Spelling mistakes must be corrected	Corrected alls spelling mistakes As for verb is concerned at many places you have highlighted like do not know to did not know etc , actually do not know is statement used in interview schedule so here verb form does not matter .But many other place I have corrected.
Optional/General comments	Taking zoonotic diseases into consideration: There was a need to examine and understand the importance and awareness of meat hygiene and health-related danger between butchers, meat retailers and consumers.	Yes agree with your statements as meat handlers not only contracted the disease but also transmit disease if don't follow hygienic principle and awareness
