| Journal Name:            | <a href="#">Current Journal of Applied Science and Technology</a>                                                                                                   |
| Manuscript Number:       | <b>Ms_CJAST_36739</b>                                                                                                                                               |
| Title of the Manuscript: | <b>Indigenous Technical Knowledge and Practices followed by Pastoralists for the treatment of livestock diseases in hills of Jammu &amp; Kashmir State in India</b> |
| Type of the Article      | <b>Original Research Article</b>                                                                                                                                    |

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                                                                                | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments |                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      | There are some spelling and grammatical mistakes. Otherwise research paper is fine.<br>In line-106: Spelling of Pakistan is wrong<br>In line-116: grammatical mistakes- were instead of was<br>In table-1, point-6: in Cedrus C is in capital letter and spelling of asafoetida is wrong | Respected sir, i have gone through your corrections and suggestions. I have made changes according to your guidance. Thanking you sir for your important suggestions.                |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                      |
