**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <ul style="list-style-type: none"> <li>-The word practioner, appears not being a 'typo' error/omission. It is repeated severally. It requires correction. My take is that the author meant 'Practitioner'.</li> <li>-line 21, indicates a poor starting of a sentence: "only solution....."</li> <li>-line 25, the use of the word 'which', instead of who.</li> <li>-line 33 is missing the word 'is'.</li> <li>-line 34 on the use of the word lead instead of 'leads'</li> <li>-line 73: the sentence is unclear</li> <li>-line 74: the word 'constraint' should be 'constraints'</li> </ul> | <b>Respected sir/ madam, I have gone through your corrections and suggestions. i have made changes according to your guidance. Thanks for your valuable suggestions.</b>             |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                      |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                      |
